Final Battle Island pt10

__**FEARLESS PASS**__

The Fearless Pass is a progression system that provides rewards by completing missions during the event.

__How It Works__

• The pass has a 30-day cycle
• When the timer reaches 0, it resets and a new round begins

The pass can also reset early once all rewards are claimed

__Missions__

• EXP is earned by completing missions
• Missions are divided into rounds

__Daily Missions__

• Reset automatically every day at midnight

__Cumulative Missions__

• Do NOT reset automatically
• Progress to the next stage only after rewards are claimed

__Rewards Distribution__

• If the event ends with unclaimed rewards:
they will be sent via mail

__Pass Types__

__Free Pass__

• Provides minimal rewards
• Mainly small amounts of gems

__Paid Pass (29.99$)__

Provides high-value rewards:

• Legendary Card Shards
• Collector’s Pack Tickets
• Tokens
• Dragon Balls
• Gems

__Additional Info__

• Pass levels can be purchased using diamonds
• This option becomes available 5 days before the event ends
