Tierlist NP

Gilgamesh is mainly a RNG self Noble Phantasm unit, thus best NP would be Prelati's Spellbook

Best: Prelati's Spellbook

Sub: Primeval Flame/Rule Breaker/Sword of Rupture

The reason why Prelati's Spellbook is great, as Spellbook increases ATK and also having 50% to perform double technique, relate to Gilgamesh Kit, using Technique will inflict [Punishment] and every [Punishment] inflicted on target will perform 1 [Summon] which is Gilgamesh main playstyle

Sub NP are used when there's no better option, Flame for silence, Rule for higher Ultimate DMG, Sword of Rupture for debuff and DMG

Soul Jades Per Role

Best all rounder:

Shapeless+Strength+Penetration+Blade

Shapeless+Strength+Penetration+Silence

Shapeless+Strength+Penetration+Precision

Shapeless+Strength+Penetration+Lifesteal

These are pretty much Gilgamesh all rounder Soul Jade, depending on what Gilgamesh you tried to build, some SJ are flexible to change

Cloth Tier List

Best: Taurus

Sub(Whale): Sagittarius

Taurus is only the option for Gilgamesh, as he requires time to perform [Summon], thus Taurus early Survivability and converts DMG after is really great on Gilgamesh

Sagittarius is not recommended, as we know Gilgamesh depends on his [Summon] RNG, if you can obtain [Sword of Rupture] early within 10 seconds, the remaining 20 seconds of fight, can help burst and nuke, but this is very RNG, not recommended for most player

Best Team

Since Gilgamesh depends on [Summon] best team for Gilgamesh is Stall Team, stall enemy and let Gilgamesh survive long enough to DPS overtime

Standard Stall:

Shadow+Saitama+Rem+Lux+Kurusu

New Stall:

Asta+Saitama+Rem+Lux+Kurusu

New Stall Gilgamesh mainly acts as debuff or 2nd DPS, as Asta will be doing most of the cleanup
