Tierlist NP

Heavy Crit: Crimson Lotus Saintress

Mainly for whale user and Best Option; Since Rimuru have [Mana Perception] buff, Rimuru with high CRIT % around 110-130% CRIT, as long as your Rimuru win CRIT Battle, the Fix DMG will increase and reduce opponent Fix DMG RES, this is very good as Rimuru have Fix DMG in skill which will drastically increase DPS

Fix DMG & ATK: Prelati's Spellbook

Second Option if Crimson Lotus is being used on other unit; Easy to understand, increases Fix DMG and ATK, able to release technique one more time, overall increases Rimuru DPS

Ultimate: Rule Breaker

Cheap option when your CRIT is not high, basic and straight forward, enhanced Ultimate DMG as well as increasing ATK

Debuff: Primeval Flame or Sword of Rupture

Niche option(Not Really Recommend); Primeval Flame for [Silence] debuff causing target unable to attack. Sword of Rupture needs to pair with Silence Soul Jade, reduces the target Rage, mainly for Rage debuffing

Soul Jades Per Role

Burst:

Enrage+Strength+Blade+Crit

Enrage+Strength+Penetration+Crit

Stall:

Shapeless+Strength+Blade+Crit

Shapeless+Strength+Penetration+Crit

Mainly these are the most widely used Soul on Rimuru, ofcourse you can try other soul jade like precision/lifesteal etc. But the above soul jade is considered stable to run in most battles, shifting between Blade/Penetration really depends on which unit you're fighting against.

Cloth Tier List

Best: Sagittarius or Taurus

Niche: Cancer

Not Recommend but can be use: Aries, Capricorn and Pisces

Best Team

Standard Stall team:

Shadow+Saitama+Lux+Rem+Kurusu

This team ensures Rimuru to survive longer, shadow acting as sub DPS and Kurisu buffs Rimuru.

New Stall:

Asta+Saitama+Lux+Rem+Kurusu

This team relies on both Asta and Saitama sustaining the team, giving DMG Share, control purge and healing, Rimuru survives longer, good for Taurus Rimuru.

Runner Up:

Saitama/Shadow+Madara+Lux+Rem+Kurusu

This team runs a DUO damage dealer, in which Rimuru acts as a heavy nuker, and Madara cleans up the match.
