PvE Tierlist

PVE Soul Jade Tier List
Swift on all unit is essential.

Armor Breaker should be equip on 1/2 unit getting the defense break helps boost DMG in PVE.

Penetration, Shapeless & Strength is your main soul for your DPS. Shapeless is best on your DPS as it give extra dmg after 20s.

Tenacity, Dodge & Shield are mainly used on your debuffer/support to keep them alive. Cure is mainly for support for the healing to sustain your team in not dying.

Blade, Enrage & Crit just not a very great Soul against PVE boss.
