When a target is added with [Blockade]. 50% chance to inflict [Rage Prohibition] for 5 seconds, 12 seconds CD

Tierlist NP

Best: Rule Breaker

Sub: Crimson Lotus Saintress

Niche: Primeval Flame/Sword of Rupture

Rule is the best NP for Muzan, as it increases Muzan Ultimate and ATK coefficient, simple and direct to increase Muzan DPS

High Crit Muzan with Crimson?

Is a bit hard to compete a high Crit Muzan with Rimuru or Makima, as those unit have +Crit% in their Crit, which makes Muzan have a disadvantage against them, but is still playable

Niche NP mainly used when there are no better option on both best and sub, debuff NP that goes well on Muzan

Soul Jades Per Role

Burst:

Enrage+Penetration+Strength+Blade

Enrage+Penetration+Strength+Crit

Stall:

Shapeless+Penetration+Strength+Blade

Shapeless+Penetration+Strength+Crit

These are pretty much the general build for Muzan, since Muzan rely on his High Ultimate DMG and debuff, direct impact to Ultimate DMG SJ like penetration,

precision or silence etc, are recommended to tried out, build according to best fit
your team

Cloth Tier List

Best: Sagittarius/Taurus

Sub: Gemini/Cancer

Niche: Aries/Capricorn/Pisces

Sagi & Taurus, without much explain, best 2 set for DPS, Sagi for 30 seconds burst,
and Taurus for early stall defending on burst while DPS after

Sub Cloth are used depending on usage, Gemini for full debuff build, Cancer for
High Crit compete build

Niche Build are not really recommended, but is an option for Muzan

Best Team

Muzan might look like a high burst, but he's also a buffer and debuffer, and goes
well in Duo DPS team or Stall Team.

Stall Team:

Shadow+Saitama+Rem+Lux+Kurusu

New Stall:

Asta+Saitama+Rem+Lux+Kurusu

Duo DPS:

Saitama+Rem+Lux+2nd DPS+Kurusu

Both Stall teams need to ensure Shadow or Asta as the 2nd DPS in the team, off tank
builds are highly recommended.
