Tierlist NP

Best: Rose Dual Spears/Prelati's Spellbook

Sub: Primeval Flame/No Name-Dagger/Gae Bolg

Best NP are both Rose Spears and Book; Rose Spears increases SJW normal attack DPS; Book increases ATK & Fix DMG also 50% to use extra Technique, drastically increases SJW DPS output

Sub NP are used when the above 2 NP being occupy

Soul Jades Per Role

Shapeless+Strength+Swift+Penetration

Shapeless+Strength+Swift+Crit

Shapeless+Swift+Crit+Penetration

These are the general builds most SJW used, pretty standard and work the best, if you decided to change the build in dealing with certain battles for example against mage you would likely prefer Blade SJ, choices are up to you, build according to your need.

Cloth Tier List

Best: Taurus

Niche: Leo/Aries/Sagittarius

Best clothes for SJW is Taurus, without a doubt for both PVP and PVE
Niche Clothes are not really recommended, as these are very specific clothes for very specific battles, it is best to use Taurus.

Best Team

SJW as an DPS he shines with his normal attack and fast haste, teams that best fit for SJW are Stall Team; However Mai team on another hand buff SJW by alot.

Stall Team:

Shadow+Saitama+Rem+Lux+Kurusu/Mai

New Stall:

Asta+Saitama+Rem+Lux+Kurusu/Mai

Mai Team:

Mai+Saitama+Rem+Lux+Kurusu

These are pretty much some teams that are good with SJW, since SJW is also a curse debuff user, Curse Debuff team would best fit his synergy, build a team that can maximize your team play.
