Tierlist NP

Best: Maria the Ripper

Sub: Rho Aias/Rule Breaker/Primeval Flame

Since Kafka Ultimate jumps onto 1 target, Maria is best fit to maximize Kafka burst DMG

Rho is more of a sub niche build, maximizing Kafka Block for his kit

Rule and Flame are both sub option when the above NP are occupy

Soul Jades Per Role

Shapeless+Strength+Penetration+Blade

Shapeless+Strength+Penetration+Precision

Enrage+Strength+Penetration+Blade

Enrage+Strength+Penetration+Precision

Kafka Soul Jade are mainly offensive, if you are planning to build a 2nd DPS Kafka with maximizing block rate, it is suggested to build a half tank lasting longer and drastically increasing Kafka DPS. But overall these are just some suggestions Soul Jade, build subject to change depending on what role you're using Kafka as.

Cloth Tier List

Best: Taurus/Sagittarius

Sub: Pisces/Capricorn

A common set for DPS, Taurus for Stall Team, Sagi for a burst team build

Sub Cloth are niche build, use if you want to target specific role

Best Team

Since Kafka Kit revolves around stacking [Monster Power], unit like Lux would help survive long and stack his buff easily

Stall Team:

Shadow+Saitama+Rem+Lux+Kurusu

New Stall:

Asta+Saitama+Rem+Lux+Kurusu

Duo DPS(Mina):

Mina+Saitama+Rem+Lux+Kurusu

These are some teams we can run Kafka in, do note if you're planning to use Kafka in both Stall teams, remember to run a off-tank Shadow & Asta, as they will be ur main/sub DPS carry.
