

Spiritual Realm Adventure pt1

Official Spiritual Realm Adventure Guide

& p **Event Overview**

The event is divided into **Cultivation (progression and resource development)** and **Battlefield (PvP between leagues)**.

The primary objectives are:

- Increase **Spiritual Power**
- Advance in rank as efficiently as possible
- Obtain valuable collections and resources
- Contribute Merit to your league during battlefield periods
- Secure higher personal and league rankings

Success in this event depends heavily on **efficient progression, stamina management, and league coordination**.

Participation Rules

- Only leagues that successfully qualify during the registration period are eligible to participate.
- Once registration ends, the **league roster becomes locked**.

& p Any guild changes or role changes after registration **will NOT affect the roster for this event**.

Leagues without qualification after registration closes **cannot participate**.

Cultivation (Main Progression)

Ø=ÝR **Available Time:**

10:00 !' 22:00 daily

Cultivation is the core progression phase of the event.

How Cultivation Works

- Every player begins from the **lowest Rank**.
- As players gain **Spiritual Power**, their **Rank** automatically increases.
- Upon ranking up, players are immediately transferred to the **next map**.

& p Higher Rank provides:

- Better progression efficiency
- Better collections
- Greater Spiritual Power generation
- Improved event rewards

This makes **early progression** extremely important.

Stamina System

Every adventure requires **Stamina**.

- Higher Rank = higher stamina cost
- Stamina regenerates naturally over time
- Stamina resets to maximum every day

& p **Do NOT waste stamina.**

Try to consume all available stamina before daily reset to maximize progression.

Adventure Events

Each adventure triggers an event.

Players **must** complete the current event before continuing exploration.

Possible event outcomes include:

- Gaining **Spiritual Power**
- Acquiring **Collections**
- Triggering **Random Encounters**

& p Events may fail.

Failed or abandoned events **DO NOT** refund stamina, so every decision matters.
